

# User Testing

I have been given general information about this project and the types of questions I can expect to answer. I understand that the survey/questionnaire will be conducted anonymously and that it will take approximately 5-10 minutes of my time to complete.

I understand that my participation in this project is completely voluntary and that I am free to decline to participate, without consequence, at any time prior to or at any point during the activity.

I understand that any information entered into the passport application system will not be personal and will be made up or “dummy data”.

I understand that the results of this activity will be used exclusively in the below-named student’s Dublin City University’s course assignment and none of the information I provide will be published, in any form, in any journals or conference proceedings.

I also understand that there are no risks involved in participating in this activity, beyond those risks experienced in everyday life.

I have read the information above. By ticking the box below and returning this form, I am consenting to participate in this survey/questionnaire project
